

“Health and community are inextricably connected - we can't look at health and ignore cultural, societal, and political influences. Our goal at MPHI is to understand those influences and find innovative and collaborative ways to improve population health.”

Renée Branch Canady, PhD, MPA
Chief Executive Officer, MPHI

MPHI®

Working with You to Promote Health

2436 Woodlake Circle | Okemos, Michigan 48864 | Phone: 517.324.8300 | www.mphi.org

- Analysis
- Capacity Building
- Education
- Evaluation
- Facilitation
- Implementation
- Outreach
- Project Management
- Research
- Solutions Development

MPHI®

A WORLD WHERE TOMORROW IS HEALTHIER THAN TODAY.

WHO WE ARE

MPHI is a Michigan-based and nationally engaged, non-profit public health institute. We are a team of teams, process and content experts, dedicated to building **a world where tomorrow is healthier than today!**

When you work with MPHI, you will experience:

-  **Quality & Excellence.** We deliver results. Results are measured by achievements that strive to exceed expectations and affect positive change.
-  **Authentic Relationships.** We build partnerships. Partnerships thrive by assembling teams grounded in trust, ensuring dependability and transparency.
-  **Health Equity & Social Justice.** We think holistically. Policies and processes addressing the root causes of inequity reside at the center of our work.
-  **Servant Leadership.** We listen. Serving you and those you serve is why we are here.

WHY PARTNER WITH US

Our broad network of partners includes academia, government, community-based organizations, and healthcare providers. These connections empower all of us to develop solutions to a wide range of challenges.

MPHI brings the experience and knowledge of over 500 employees located in multiple centers
